

# TIME SAVED

## WHEN YOU WORK WITH SIGMA

### RESEARCH

Save ~20 hours researching succession planning best practices. Our experts know this material inside and out!

### PROCESS

Save 10-40 hours on setting up your planning process. Use SIGMA's [6-step succession planning process](#).

### MATERIALS

Save 10-40 hours preparing presentation and other communication material. We'll give you what you need.

### LEADERSHIP MODELS

Save 10-40 hours creating a leadership model. Use SIGMA's [Leadership Competency Framework](#).

### ASSESSMENT

Save ~15 hours on talent assessment. Use the [LSP-R™](#).

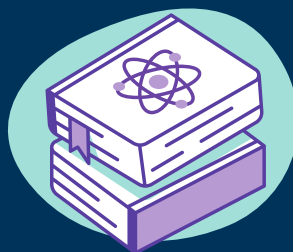

### PRESENTATION

Save ~15 hours on meeting preparation and presentation. SIGMA's consultants will run the show.

### DATA COLLECTION AND ANALYSIS

Save 40-60 hours collecting and processing data. SIGMA's R&D team will take care of it.

### SUCCESSION PLAN

Save ~15 hours on formally documenting your succession plan. We will give you an executive summary presentation.

### COMMUNICATING THE PLAN

Save ~10 hours on communicating the plan to your employees. Our consultants will do the heavy lifting.
